## Benefit System Bill Is Sent to President

Associated Press

The Senate yesterday sent, . Raise the maximum tax President Kennedy legisla-tion designed to put the rail-and retirement and unem-terminal retirement and unem-per cent.

House a week ago, was passed ploye for benefits in the next by voice vote after Sen. year would be increased from Wayne Morse (D-Ore.) told the Senate it is urgently needed. He said both rail needed. He said both rail board notified Congress that

on it.
The retirement fund has an actuarial deficit of \$77 million which the Board said would a year. The jobless-aid system be tolerable. has an actual deficit of more than \$300 million; benefits House Group Approves than continued through CIA Retirement Plant loans from the railroad re-tirement trust funds.

bill sent to the White House. These are the changes in present law made by the bill. In retirement:

a month the salary base on CIA. which employers and em-ployes pay taxes. This will have the effect of increasing a bill that would allow mem-

the Treasury pays on railroad a higher rank at some time retirement funds.

sation:

road retirement and unemployment compensation systems on a sound financial basis.

The bill, which cleared the most of the industry and voluntary quits; for example, the amount of pay in a year needed to qualify an employed for benefits in the next

management and unions agree the retirement changes would reduce the annual actuarial deficit to \$16 million a year,

## CIA Retirement Plan

The House Armed Services Mr. Kennedy has urged that a fetion be taken to put the systems on a sound basis. However, the Treasury opposed some provisions of the lill sont to the White House.

The House Armed Services Committee approved a bill yesterday that would set up a retirement system for some agents of the Central Intelligence Agency. gence Agency.

The bill would allow agents who have spent at least five years in hazardous duty to re-• Increase from \$400 to \$450 tire after 20 years with the

the retirement benefits as well as revenues.

• Raise the Government's the highest rank they achieved contribution because of military service credits.

Boost from 3 per cent to Army officer, for example, can retire only at his highest Army rank even if he held in unemployment compen in the Air Force, Marines or Navy
